

Women's Work: Bathroom, Room 608 (Daniela) Interview Transcript

This has been transcribed from an audio interview exactly as it was voiced.

[Background noise of cleaning bathroom, flushing toilet]

The first time when I'm going to the toilet, I flush the water because...

Never know.

[Second woman speaks in background in her own language]

The rooms, depends how dirty they are.

I can do two rooms in one hour

because, there is a lot of rubbish.

[Second woman speaks in background in her own language]

And are the days which I'm doing three rooms in one hour.

[Second woman speaks in background in her own language]

If they leave the bathroom very dirty for me it's difficult.

If they live here, it's fine but the bathroom for me is difficult.

[Second woman speaks in background in her own language]

I found sometimes before I was pregnant, I find the s**t in a shower.

[Toilet flushes]

[Second woman speaks in background in her own language]

I have a baby and I have to take care of him.

Doesn't matter what job I'm doing I have to take care of my baby.
